

# Remember the Love of the Family

Fall 2014

"From the door of an orphanage...To the house of a King ..."

Wes sang this Gaither song at a Sunday morning church service and spoke from Ephesians 1:4-7, explaining how each of us are chosen by God and adopted into His family. Anxiously a father of six came up and shared his story of adopting four of their children overseas. While waiting for the papers on their fifth child to clear, they met a 13 year-old girl at the orphanage who was soon to be released because she had not yet been adopted. The short story is that they also adopted this young woman and saved her from a life on the streets. And the family's last name . . . King.

Another of our summer highlights was having eight of our grandkids for a sleepover and doing our kids' club program along with Great-grandma Bev and Papa Leo (Wes's parents).

Good News Clubs are firing up!  
We will do two Clubs in  
Minnesota and then head south  
to begin the Florida clubs in  
November  
through  
April 2015.

Please, please pray as we transition through changes since Wes's Dad, Leo's stroke in 2013. Bev and Leo continue to work with us, though there are ongoing challenges we must adjust for and address. Every prayer is appreciated as we journey through these changes.

Thanks for your encouragement, prayers, and support. He is faithful to provide through YOU!

In His love,

*Wes & Dawn*
